Made by an individual or persons largely associated with animal behavior from a teaching, research, and/or applied perspective, not with the primary goal of earning an income.

The White Whale: *Dephinapterus leucas*

Approximate start time **8:05pm**

Directed by: Michael Noonan

This film depicts a research program that explores the behavioral biology of seaquarium-based Beluga Whales (*Dephinapterus leucas*). It then goes on to examine the relationship that this charismatic species has with humans in its native Arctic waters

Commercial Films

Made by professional photographers and filmmakers with the express purpose of earning a profit.

White Wolves – Ghosts of the Arctic

Approximate start time **8:40pm**

Directed by: Oliver Goetzl

Ghosts of the Arctic follows a family of wolves as they struggle to raise their pups in Canada's northernmost edge - Ellesmere Island. Set within a stunning landscape of snow-capped mountains and ice-locked fjords, this documentary offers a glimpse into a world that's rarely been seen before. At its core, a wolf pack is a large extended family where everyone must work together to survive. Snow White and Alpha are a dedicated and loyal couple. They've lead their family through the dark and frigid winter months and they now embark on a new challenge: to raise their pups in the brief arctic summer. With never-before-seen footage of wolf family life, Ghosts of the Arctic is a dramatic, touching and true story of loyalty, companionship and devotion. It's an epic tale that reveals the struggles and triumphs of a family working to survive in one of the last great wildernesses on Earth.

The World's Most Famous Tiger

Approximate start time **9:30pm**

Directed by: Subbiah Nallamuthu

Machli, the legendary Tiger Queen of Ranthambhore National Park in Western India was known for her fierce determination, bravery and confidence. She captured the imagination and hearts of tiger fans like no other. Machli died at the record age of twenty years but not before she had played a key role in the regeneration of tiger population in the Ranthambhore and Sariska National Park. This film chronicles Machli's journey from her prime to her death; telling the incredible stories behind Machli's rise to power, her heartbreaking descent and the extraordinary legacy she left behind. Machli taught us a valuable lesson that protecting one tiger can create a forest.
